DELIVERING FRESH. ALWAYS.™

Fresh Food Anytime, Anywhere for Patients, Visitors, and Healthcare Staff

Generate More Sales and Profits with the Autonomous Retail Merchandiser

Structural Concepts is the only refrigerated manufacturer to design and manufacture a **complete smart solution** for autonomous shopping.

Offsetting labor challenges, an appealing refrigerated or dry merchandising format with increased capacity, a cashier-less transactional system, and the ability to streamline inventory management, this single solution provides a quick payback turning into increased profitability.

A Fully Automated Experience for Consumers and Operators

Automated Checkout allows shoppers to browse products directly on the shelf, have their selections automatically added to the cart, and pay with credit/debit and mobile payment for faster transactions.

For the operator, the autonomous solution tracks inventory and requires less labor, resulting in increased productivity.

ARM Platform — Shared Intelligence

- Operates seamlessly in remote locations.
- Safe and secure cashier-less transactions.
- Simplest and lowest flat fee structures.
- Easy integration with existing payment systems.
- Accepts most methods of payment, including employee badges.
- Lowest overall operating costs.
- Includes SCC's hallmark industrial design and features.

Available in two sizes: **ARMXL** or **ARMSLIM**

ARMXL
